Realtime vehicle tracking

Orion's Technology Platform has been developed specifically to solve problems in your enviroment

Know where your drivers are and access this data in real time for audits or intervention at your convenience.

Do you feel like you are flying blind in your business?

Orion gives you full site of your fleet.

Let us help you see your vehicle as it drives, with our real time digital map interface.

Our tracking will show you your vehicles at their exact location at any given moment.

With real-time monitoring, detailed route histories, immediate alerts and the ability to access a full online history of everywhere your fleet has been.

Live Tracking

We have the complete fleet management and vehicle tracking solution for you to access from anywhere in the world via our website and mobile app.
Fuel Security

We use Anti-Siphon Devices fitted to your assets

Shield
- Attack proof 4cm solid dome base
- Prevents siphoning with narrow gauge pipes
- Short chamber reduces skimming
- Fills at 120L per Minute

Optimum
- Prevents skimming from a full tank
- 140L per Minute Filling
- Solid aluminium constriction
- Prevents siphoning from any gauge pipe
- Prevents overfilling & wastage

Live Fuel Management

Are you constantly worrying about your fuel spend and where it's going?

Fuel can take up as much as 50% of all direct cost to your fleet based business.

With our fuel management system you are able to pin point exactly where fillings and drainages on your tank occur.

- Delivers information in real time
- Results are highly accurate and therefore very reliable
- The sensor forwards information on the fuel level and refueling events or drains at any given moment in time.
- Be proactive in a case where fuel is being stolen

24-Hour Bureau Service

The security of your vehicles and goods are paramount to a successful business.

You now have an affordable and efficient solution in real-time, 24 hours a day.

Protect your Most Valuable Investment.

Watch the most important show.

You can now keep your eyes on your assets at all times.
